**TRANSFORMED THROUGH
AN UNHOLY FUSION OF
FUTURISTIC GENE
TECHNOLOGY AND
THE ANCIENT OCCULT
SCIENCE OF PAIN INTO
AN INDESTRUCTIBLE
TORTURE MACHINE:**

ENTER ENDURA...

THE MORE SHE IS HURT, THE STRONGER SHE BECOMES.

ENDURA is the most deadly and challenging adversary that Vamp has so far encountered in her ongoing quest to find a lasting cure to her vampiric condition. Archangel's most loyal, trusted and ruthless ally, she has been entrusted not only with running the cornerstone of his criminal empire, the Meat Boutique--a nightmare world of death and degradation she presides over with sadistic relish--but with the Ladder, the elusive key to Vamp's mission, itself.

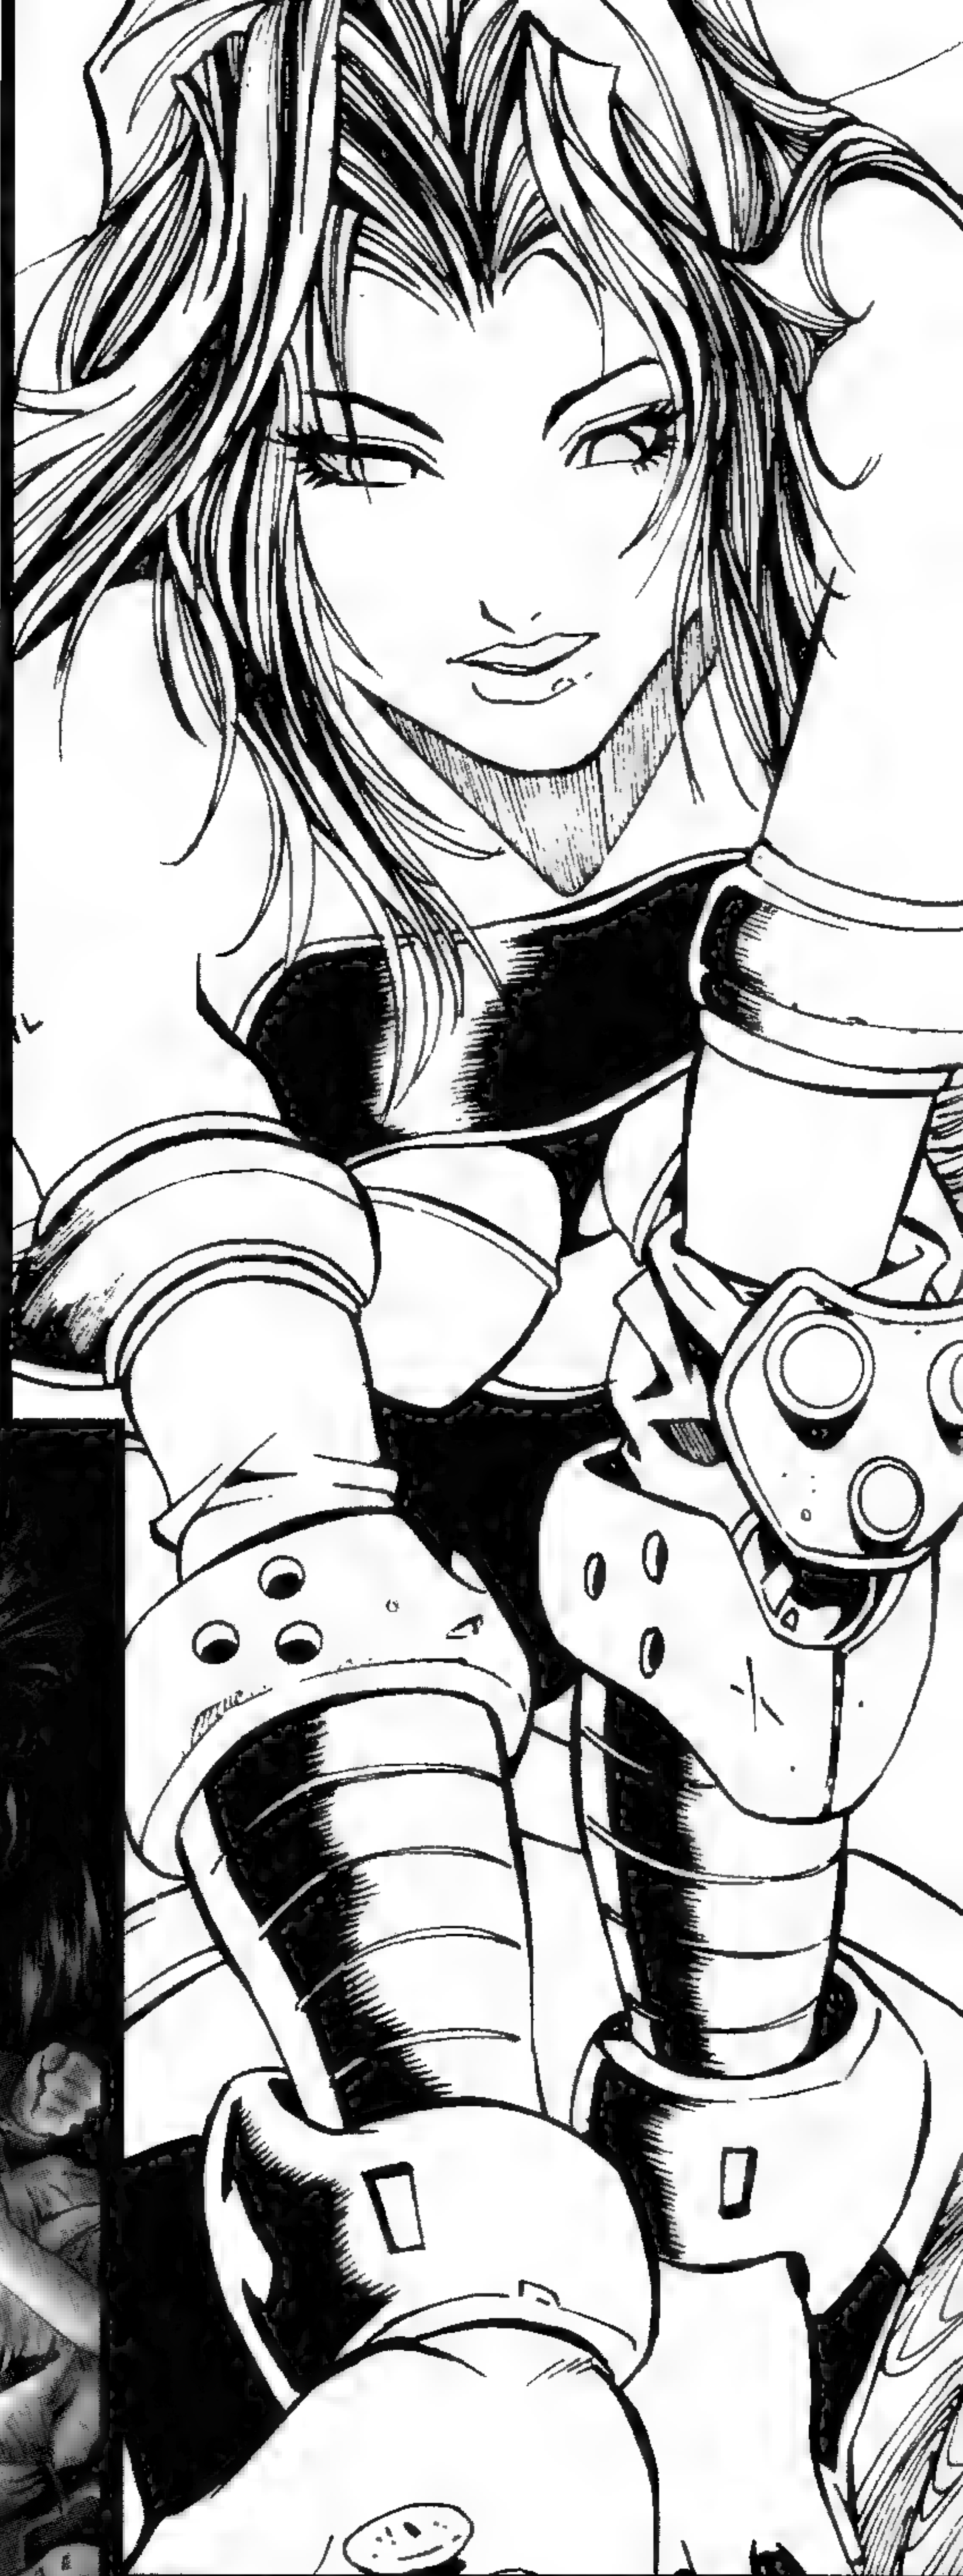

**ENDURA GETS TO WORK
IN ARCHANGEL'S MEAT
BOUTIQUE**

**DON'T BE FOOLED
BY THE PRETTY
FACE. ENDURA'S
HISS IS DEADLY**

ENDURA –whose name derives from the ritual suicide practiced by the Cathar heretics of medieval France—is an adept of an esoteric discipline known as the Black Tantra, an arcane system that combines the cruelest extremes of sado-masochism with the negative aspects of the Hindu tantra. Capable of channeling the energies of pain and pleasure, Endura has exploited the Ladder technology to genetically enhance her abilities, embracing the power of her lethal addiction, compared to which Vampi's bloodlust pales by contrast. She feeds not on blood, but on endorphins – the natural "opiate" produced by the brain in response to the sensual stimuli of pain and pleasure. ■

**VAMPI'S TROUBLES
WITH ENDURA ARE
ONLY BEGINNING...**
